BAP workshop on setting up a Social Enterprise

Free workshop in Bray on 6th December - will explain in detail what a Social Enterprise is and key elements to consider when setting one up.

Social enterprises are businesses set up to benefit their local community. They provide valuable services and jobs and invest profits back into the business or local community. Examples could be a charity shop, a community café, an environmental project, sports, health or well-being service, or a manufacturing business designed to provide employment.

The workshop will cover different types of social enterprises, five key elements to get right, corporate governance, funding and human resources and getting a social enterprise off the ground. 10am-1pm on Thursday 6th December. **You must be an individual or group from the Bray or Greystones Municipal District areas.**

Click [HERE](#) to find out more, or call Eithne on 01 205 0111.
